

The St. Mary's School Prayer

O, Most Holy Mother of Jesus, we invoke your sweet name as patroness of our school. We first of all thank you for the love and guidance you provide for us.

Inspire us to live lives of willing service, just as you willingly served God. Teach us how to love each other as family, just as you love us as our Holy Mother.

We graciously look to you as our inspiration to prepare our heart, mind, and spirit to carry out your Son's mission in this world.

Mary Most Holy, continue to shine your favor upon us today and always.

Amen.
